

COMPANY: APPLE VALLEY NEWS
LOCATION: KENNEWICK, WA
PRIMARY INDUSTRY: TV
POSITION: METEOROLOGIST
OPEN DATE: 9/21/23
CLOSE DATE: When filled
SALARY RANGE: \$18.27 - \$19.23/Hour

About this opportunity:

Are you a self-motivated, highly organized individual with a strong work ethic who is ready to prepare and deliver accurate weather reports on-air and online to our local communities? Do you have on-air experience conveying viewer-driven forecasts effectively? If you have experience and success creating dynamic forecasts dedicated to serving and informing members of our community, we want to talk to you. Come join our close-knit news team at Apple Valley News Now, the local ABC affiliate in the Yakima/Tri Cities market of Washington state. We are a family-owned, people-first business and our communities are at the core of what we do and who we are.

Why Work for Apple Valley News Now TV?

Because we care about you and your life outside of work just as much as we value the work you do as a Meteorologist. Members of our team get support and feedback, but also are held to high expectations to create the newscasts and weather reports our community needs. The fast-growing Yakima and Tri-Cities areas (Kennewick/Pasco/Richland) offer 300 days of sunshine, amazing outdoor views, cultural diversity, stress-free commutes, proximity to Spokane, Seattle and Portland, and is known as the “Heart of Washington Wine Country.”

What you’ll do:

As a Meteorologist, our community will count on you to keep them informed and safe, especially during severe weather events. When the weather takes an unexpected turn and you need to interrupt regular programming, you will be able to deliver life-saving information quickly and coherently with urgency and accuracy. Your degree in meteorology, journalism, or related field, along with your sound editorial judgement, will be vital to your success as you prepare and deliver weathercasts utilizing all available weather data and graphics computers. NWA and/or AMS seal are preferred, but if you have on-air experience and a passion for forecasting, let’s talk.

What you'll get in return:

You'll get a supportive work environment with co-workers and managers who value your work, your time and your perspective. Our management team is committed to maintaining a culture where employees can flourish and grow, professionally and personally.

Pay range: \$18.27 - \$19.23/Hour

We offer medical, dental, vision, prescription, life and long-term disability insurance, EAP, flexible spending account, health savings account, 401(k), paid time off including vacation, sick, personal days and holidays.

What's next?

Apply right away for a chance to join a news team that believes in family, community and a legacy of local journalism. Live in a beautiful city with just enough unusual weather to keep you engaged. For online application instructions go to: <https://morganmurphymedia.com/current-openings/>
