Multi-Media Journalist

About this opportunity:

Are you looking for a newsroom that encourages creativity in storytelling, led by a news director who once worked as an MMJ herself? Want to learn and grow to not only be a more dynamic storyteller, but also stronger journalist? We have a track record of helping MMJs move to major markets and also helping people find a forever home in our community. We're ready for you to join our close-knit news team.

What you'll do:

You'll pitch and develop stories, track down leads and stretch your creative muscle to tell the most compelling stories across platforms. Want to test your skills on weather/sports/anchoring/producing? We provide opportunities to see where else your passion might take you. We just want your best, but we also value your life outside of work as much as we value what you bring to the newscasts each day.

Why Work for 4 News Now?

We're looking for a multi-media journalist who likes to dig and really wants to win on the big stories. Can you tell a feature story as well as you can cover a breaking crime scene? Is social media second nature? Journalists on our team get support and feedback, but also are held to high expectations to deliver the stories our community needs. We have the most diverse news team in the market and the most experienced newsroom leaders. You'll develop your own stories and also work with our experienced photojournalists. No solo live shots here – your safety is our priority. We're a newsroom that thrives on growth and teamwork. You'll join a family-owned company in the beautiful northwest, where you can enjoy a thriving city without the hour-long commute to work. Spokane is surrounded by beautiful scenery with 76 lakes within an hour drive. Indoorsy? We have great breweries, wineries, restaurants and bookstores, too.

What you'll get in return:

You'll get a supportive work environment with co-workers and managers who value your work, your time and your perspective.

Pay range: \$17.31/hour - \$19.70/hour

Benefits: We offer employees and their families medical, dental, vision, prescription, life insurance, and Employee Assistance Program benefits. Employees are also offered

long-term disability insurance, flexible spending account, 401(k), health savings account, employee referral program, and paid time off including 80 hours of vacation following 1 year of service, 1 hour of sick time for every 40 hours worked, 2 personal days and 9 paid holidays.

What's next?

Apply right away for a chance to join a news team that believes in family, community and a legacy of local journalism. Live in a beautiful city with just enough bizarre news to keep you engaged. Work with journalists who take our role in democracy very seriously, but who also know that the newsroom itself should be a safe and supportive place. Our newsroom motto: take care of the team. We live it every day.
